

**EMPLOYEE  
CHILDCARE FRAMEWORKS  
Kalyra Woodcroft Aged Care**

# INTRODUCTION

This small booklet has been created as a support for our action in developing the Trust as an employer of choice.

Employees and their families are the most important resource the Trust has at its disposal and this is reflected in the Corporate Goal set out below.

## ATTRACT AND RETAIN QUALITY STAFF AND VOLUNTEERS TO THE TRUST

**STRATEGY** - Develop new processes to ensure the human resource requirements of the Trust are met.

**ACTION** – Develop frameworks to facilitate the provision of childcare for staff requiring childcare arrangements.

# VALUES

Our organization’s values play an important role in setting the standards of behaviour and attitude expected from staff and volunteers. Truly practising these values will not only assist in the achievement of our vision but also will ensure that our organization continues to provide a high quality, safe and positive environment for all our people. They are:

**CARING** - “Being committed, thoughtful, supportive and considerate”

**ACCOUNTABILITY** - “Having pride and taking responsibility”

**QUALITY SERVICE** - “Being professional and continuously improving”

**RESPECT** - “Showing regard for the rights, beliefs and property of all”

**TEAMWORK** - “Working together to achieve a common goal”

**OPEN COMMUNICATION** - “Improving understanding through listening and sharing”

**HONESTY** - “Demonstrating truthfulness and sincerity”

**ENJOYMENT** - “Achieving satisfaction in a happy and healthy community”
